Pan MacMillan, United Kingdom, 2016. Paperback. Condition: New. On Demand. Language: English. Brand new Book. Blood of the Mantis is the third novel, following Dragonfly Falling, in the richly imagined Shadows of the Apt series by Adrian Tchaikovsky. A dread ritual casts a deadly shadow . . . Driven by the ghosts of the legendary Darakyon, the seer Achaeos has tracked the stolen Shadow Box to the marsh-town of Jerez - but he has only days before this magical artefact will be lost to him forever . . . Meanwhile, the forces of the Empire are mustering for their next great offensive. Stenwold and his followers have only a short time in which to seek allies before the enemy soldiers are on the march again, conquering everything in their path. And if they cannot hold them back before spring, then the hated black and gold flag will be flying fly over every city in the Lowlands before the year's end. And should the Shadow Box fall into the hands of the power-mad Emperor, then nothing will save the world from his relentless ambition. Continue this immersive epic fantasy adventure with Salute the Dark.
