Amazon Digital Services LLC - Kdp Print Us, United States, 2019. Paperback. Condition: New. Language: English. Brand new Book. This soft cover 90 day business planner kicks off your planning for each quarter. Before you even get into the 'to-dos' there's space to map out your vision, income goals, declutter your thinking and think about what your customer needs and where they hang out. We know you're super busy and need a little help to manage ALL the plates you've got spinning. Weekly layout with handy time slots so you always know your next appointment or task so you can be where you need to be and be right on time. With all the things you've got to get done each day there's two handy prompts per week so you don't get caught in the whirr of noise and busy-ness and stay focused. If you get that one thing done, you're winning my friend. When you're super busy we also know that cleaning out your sock drawer becomes so much more appealing than the 'stuff' you're trying to avoid. We've got your back with that with a weekly layout so you know where you need to be and know what you need to be doing. Finally, we left out the month and dates so you can add these to fit in with when you start, because let's face it, it's easy to forget that when the going gets tough. SUM IT ALL UP Week view per page (for 90 days, well of course) Prompts each day to: focus, get stuff done and capture the good stuff Big vision focus Income planning and visualisation tasks (e.g. what will success look like for the next 90 days) Cute glossy cover that you'll want to show off (and be safe from messy coffee shop spillages) Soft cover because if it was hardback this baby wouldn't make...
