Kensington Publishing, United States, 2019. Paperback. Condition: New. Language: English. Brand new Book. There's a saying that if you come from my part of town, you're from around the way. *Around the Way Girls 11* is a fast-paced look at the lives of some street-smart women who think they know it all, but are about to get the lessons of their lives. Feeling hopeless, they chose to use their bodies to get what they wanted--until a frightening encounter inspired them to focus on schooling instead of the streets. Now Tammy is the youngest federal judge in the state of Oklahoma, while Debbie is a well-respected accountant. Of course, what's done in the dark--or in their case, under the sheets--will always come to light, causing complete and utter chaos."Do or Die" by India Johnson-Williams: After a big indictment comes down on some of Detroit's major drug players, their women...
