WestBow Press, United States, 2019. Paperback. Condition: New. Language: English. Brand new Book. It is my personal belief that no one, absolutely no one succeeds alone. This statement is true in every facet of life, especially when it comes to marriage and parenting. Oh how I would've loved to have read this book earlier in my life, as it could've saved me a lot of "failing forward" moments. This book is written for those who want to succeed in marriage, for those who desire unbreakable bonds with their children and those who desire to live a life in balance with family and career. It's a simplistic instruction manual of sorts with truth at its core. It's not perfect and neither am I, but I'm certain that it will inspire you.
