Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English. Brand new Book. Thoughts on the Writing Journey "I write because I love it. Words are free, and they soar with wings unbound from my mind to my fingers. And then they travel great miles to reach your eyes. Here are the stories that I have to share. They stem from my observations, my experiences, my joys, my anguish, and my pure love of writing. They describe, they explain, they argue, they laugh, they cry. They are for you." "My writing mission is through my words to inform, illuminate, entertain, uplift, delight, as well as hopefully even inspiring people. I aim to do this by sharing my knowledge and life experiences - through supporting, encouraging and empowering others to be the best person they can possibly be." "Whatever you can do, or dream you can do, begin it. Boldness has genius, power and magic in it." Johann Goethe, poet, novelist and playwright "Everyone has some talent. What's rare is the courage to follow it to the dark places where it leads." Erica Jong, author of Fear of Flying "The world would have you agree with its dismal dream of limitation. But the light would have you soar like the eagle of your sacred visions." Alan Cohen "You know when a writers in real trouble, when they start writing about writing. And once they start running creative writing courses, you know then they're really deep..."
