Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English. Brand new Book. I'm Feeling BeachyAdult Coloring Book by Monte WerleNo matter what the beach means to you, you'll find something to love in I'm Feeling Beachy, an adult coloring book featuring a collection of 28 whimsical hand-drawn beach scenes designed to carry you away to your own tropical paradise. Each drawing is loaded with detail for your coloring pleasure. Sun, sand, surf, sandals, seashells, starfish, coconuts, palm trees, tikis, and islands all combine to make your coloring even more fun and make it seem as if you're spending the day at the beach, no matter how bad the weather is outside.Remember what it feels like to lie on warm white sand with golden rays of sun gently kissing your skin? Seagulls call overhead and the gentle sound of surf lapping the shore soothes you with its rhythmic beat. It's easy to be transported to another calmer and happier world when you're at the beach. I'm Feeling Beachy evinces all these feelings and more. With so many fabulous drawings, you'll have trouble choosing where to start!This is a high-quality coloring book with only one drawing per page (nothing printed on the back) and a blank sheet between each drawing to prevent color bleed-through onto the next drawing when using wet media like felt tip pens and watercolors.If you're shaking your head and saying, "I'm a grown-up. I'm not going to color!" here are some interesting facts that may help CHANGE YOUR MIND Did you know Carl Jung, the famous psychiatrist and founder of the analytical approach to psychiatry, actually prescribed coloring for his patients to ease tension? Through observation, Jung found coloring relieved his patients' anxieties and help them relax and focus on something pleasant and entertaining instead...
