Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English. Brand new Book. Engaged. We are nothing, if not engaged. Though using format and terminology familiar to Christians, this is a book for all believers. If you like what you've read so far, if you have faith in a Higher Power, you will probably be able to extract much of value to you, your friends, and your cause from the...
