Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Uses an active learning approach that focuses on the reader choosing, applying, and assessing practical strategies, with the goal of creating an effective, efficient, and individualized system of study. College Study exposes readers to how to make informed choices about learning content that is often new, complex, and changing rapidly, especially given the increasing link between technology and learning. Included is the inter-relationship of students' learning behaviors and attitudes, with an emphasis on applying multi-modal strategies into daily course work. The text covers the major learning skills topics: academic planning and goal-setting, time management and procrastination, productivity, active listening and note taking, reading and studying, preparing for and taking tests, enhancing learning and memory, reducing worry/anxiety, and online and web-based strategies. The...
