## NEW APPROACHES TO CHINESE WORD FORMATION: MORPHOLOGY, PHONOLOGY AND THE LEXICON IN MODERN AND ANCIENT CHINESE (HARDBACK)

De Gruyter, Germany, 1998. Hardback. Condition: New. Reprint 2011. Language: English. Brand new Book. TRENDS IN LINGUISTICS is a series of books that open new perspectives in our understanding of language. The series publishes state-of-the-art work on core areas of linguistics across theoretical frameworks, as well as studies that provide new insights by approaching language from an interdisciplinary perspective. TRENDS IN LINGUISTICS considers itself a forum for cutting-edge research based on solid empirical data on language in its various manifestations,...

### Reviews

*Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).*

-- **Pasquale Larkin I**

*This written book is excellent. It generally is not going to expense a lot of. Its been developed in an extremely straightforward way which is merely right after i finished reading through this pdf where in fact altered me, modify the way i really believe.*

-- **Miss Aurore Zulauf Sr.**
