Paired skills course focusing on critical thinking, academic skills, and language students need most. Prism is a five-level (A1 to C1), American English paired-skills course (Reading/Writing and Listening/Speaking), created for students who need to develop a range of academic skills. This Intro Level (A1) Listening and Speaking Student's Book prepares students for college classes by developing their listening, speaking, critical thinking, and pronunciation skills, including pronunciation for listening. Special sections teach how to be a successful college student, and the accompanying video program sets the stage for each unit's topic. Inside the book is a single-use code for the online workbook.
