Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

CONQUERING CASES: INVESTIGATION AND PROSECUTION CASE MANAGEMENT USING MICROSOFT ONENOTE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English. Brand new Book. Have you lost control of your caseload? Are you buried under a mountain of paperwork? Do you have your cases in boxes, folders, and files? There is a solution. Imagine a product that: Saves everything-Drag and drop document management of crime scene pictures, interview recordings and videos, background documents, police reports, phone records, charts, maps, diagrams, and any web page including public records databases and social media. Anything that can be printed can be automatically saved-Never lose files or automatically syncs-What's documented in the field automatically updates the file back at the office.Works on almost every device-Windows computers, laptops, tablets, and phones, Android phones and tablets, Chromebooks, Apple iPhones, iPads, and Macs, Blackberrys, and Kindle readers and tablets. Makes documents and notes instantly searchable-Query any keyword, term, or number using a case specific search engine and search across all included cases for other matchesUses free optical character recognition software-Insert printed or paper documents and make the text searchableIncludes audio and video recording capabilities-Record voice memos and interviews and make the content searchable. Bookmark important statements or answers and instantly navigate to that part of the recording. No more fast forwarding or re-winding to find it. Uses handwriting recognition-Don't have a keyboard? Integrated handwriting recognition can convert written notes to searchable text.Allows users to create standardized templates for complex investigations-Easily design protocols and to-do lists for infrequent but complex cases like homicides, sexual assaults, and child abductions.Integrates with email-Share meeting agendas, documents, notes, and any information from a workbook.Let's lead agents and primary investigators control and share case files with co-workers or other agencies-Files can be shared with anyone with an email address. File access can also easily be revoked.Logs file changes-Automatically tracks who adds or...
