Independently Published, United States, 2019. Paperback. Condition: New. Language: English. Brand new Book. The Afghan Hound originates from the cold mountains of Afghanistan. The breed has multiple different names such as: Kuchi hound, Balkin Hound, Galanday Hound and the T?z? Spay (which is what it is known as locally in Afghanistan). The breed is known for its highly distinguishable thick and silky coat and ring curl tail. Traditionally the Afghan Hound has been used as a sighthound during hunting. Due to their sensitive nature, it is important to never shout at your Afghan Hound in an aggressive manner. It is important to try and learn as much as you can about the animal you are considering to keep as a pet to make sure that your lifestyle, household and financial status are suited to provide your pet with the best possible care. This guide has been designed to provide you with both precise and concise information about an Afghan Hound's basic needs to help you provide your pet with the best quality care practices. This guide will give an in-depth explanation on training your Afghan Hound, raising your Afghan Hound from a puppy, grooming, health care and everything in between! "The Afghan Hound:...
