Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English. Brand new Book. The Well at the World's End is a high fantasy novel by the British artist, poet, and author William Morris. It was first published in 1896 and has been reprinted a number of times since, most notably in two parts as the 20th and 21st volumes of the Ballantine Adult Fantasy series, in August and September 1970. In one episode Ralph is staying at a castle and inquires about the Lady of the castle (the so-called Lady of Abundance), whom he has not yet seen. Descriptions of her youth and beauty suggest to him that she has drunk from the well at the world's end. "And now in his heart waxed the desire of that Lady, once seen, as he deemed, in such strange wise; but he wondered within himself if the devil had not sown that..."
