Reviews

I actually started out looking at this publication. It normally is not going to cost too much. I am just happy to let you know that this is basically the finest publication i have got read through within my very own life and may be he very best publication for possibly.

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English. Brand new Book. This is a photographic reprint of the original, which insures faithfulness to the original. The Dark Night, though only a short treatise in comparison with the remaining works of St. John of the Cross, is perhaps from a practical point of view the most important of the whole series. Instructions for beginners may be found in abundance; even the Night of the sense, as St. John informs us, has had numerous exponents; but in the Night of the spirit he breaks fresh ground. If it is one of God's ordinances that all spiritual life must be regulated by a director so that pitfalls may be avoided, a soul plunged into the Night of the spirit depends more than any other upon the intelligent guidance of an experienced director, partly on account of its natural reluctance to proceed along a path beset with so many difficulties, partly because the very fact of its being in darkness prevents it from seeing clearly with its own eyes. In the Ascent and the Dark Night St. John has traced the way with admirable lucidity and simplicity, but these books, especially the latter, are chiefly addressed to the director. It is impossible to read them without gaining the conviction that his is the absolutely safe way; there may be others, less straight, less rugged, but neither so safe nor so direct. St. John, taking his position on the firm basis of the psychology and theology of St. Thomas Aquinas, and guiding himself by the light of Holy Scripture, pitilessly dissects the soul and its operations, separating not only what is dangerous or unsound, but everything that is not directly conducive to his ultimate aim, the union of the human...
