Reviews

Most of these publication is the greatest publication offered. It is actually rally intriguing throug reading period of time. You can expect to like just how the article writer create this publication.
(Eddie Schuppe)

LOSERS CLUB (PAPERBACK)

Random House USA Inc, United States, 2018. Paperback. Condition: New. Language: English. Brand new Book. The beloved New York Times bestselling author of the modern classic Frindle celebrates books and the joy of reading with a new school story to love! Sixth grader Alec can't put a good book down. So when Principal Vance lays down the law--pay attention in class, or else--Alec takes action. He can't lose all his reading time, so he starts a club. A club he intends to be the only member of. After all, reading isn't a team sport, and no one would want to join something called the Losers Club, right? But as more and more kids find their way to Alec's club--including his ex-friend turned bully and the girl Alec is maybe starting to like--Alec notices something. Real life might be messier than his favorite books, but it's just as interesting. With *The Losers Club*, Andrew Clements brings us a new school story that's a love letter to books and to reading and that reminds us that sometimes the best stories are the ones that happen off the page--our own! Praise for *The Losers Club*! "Clements's latest is engaging and funny. A laugh-out-loud first purchase for all middle grade collections, and a solid read-aloud choice for classrooms."--School Library Journal, Starred Review "Clements is out to celebrate reading in all its obsessiveness, and tosses in shout-outs to a passel of other writers. [*The Losers Club*] gives fried bookworms everywhere the satisfaction of knowing that friends may desert them (if only temporarily) but books never will."--The New York Times Praise for Andrew Clements! "Clements is a genius." --The New York Times "We have never read an Andrew Clements book that we haven't loved." --The Washington Post.
