"The audience is by definition American medical students preparing for the examinations, but there is definite benefit for other physician assistant and nurse practitioner students as well. I would add that there is utility for every medical school faculty member to review in designing their teaching goals for the students. For the intended audience, this is a high value preparation book." --Doody's Review Service PreTest Physical Diagnosis delivers 500 questions with complete but concise explanations of both correct and incorrect answer options. In order to simulate the USMLE Step 2 CK test-taking experience, the book is composed entirely of clinical vignette style questions and clinical images. The questions are referenced to major texts and seminal articles to assist you in further research. This is the perfect resource for students transitioning from didactic to critical years. Features Addresses the core...
