Alpha Peak LLC, United States, 2016. Paperback. Condition: New. Language: English. Brand new Book. WINNER of the 2016 Silver EVVY Award for Fiction/Fantasy! 14-year-old Celeste doesn't know what happened to her parents, her dog, and all the other things that disappeared years ago in what the survivors call "The Event." She also doesn't know there's a murderous shapeshifter after her. She does know that she will do her best to discover the truth. After running away from the children's home, she questions her sanity when cats, and then dogs, communicate with her. They tell her she must go to the other side of "the big water," but can provide no further information. Celeste is discovered by the shapeshifter soon after running away, and then learns she has the ability to fly. After leaving the mountain, she is rescued by Orville, a flying frog, who becomes her guardian throughout the story. By this point, she has been told that she must find the key to stopping the advance of what the villagers call "the ooze." In the village, other youths are exhibiting unusual powers and they are afraid. Many blame Celeste. Celeste struggles to find the key while evading the treacherous shifter, and nearly dies after being lured into a magical sand castle by a childlike voice. She receives messages from other mystical...
