

Garden Railway Manual: A step-by-step guide to narrow-gauge garden railwa (Paperback)

By Bill Bradshaw

HAYNES PUBLISHING GROUP, United Kingdom, 2017. Paperback. Condition: New. 2nd Revised edition. Language: English. Brand new Book. NEW IN PAPERBACK. For Britain's growing band of model railway enthusiasts, a garden railway is the ultimate challenge. In this inspirational book Richard Blizzard guides you through 19 garden railway projects, from laying the track and making simple trackside accessories through to constructing a 16mm-gauge live steam engine from a kit, various rolling stock and a locomotive roundhouse and turntable. The projects are presented using hundreds of step-by-step colour photographs and accompanied by full cutting lists and assembly drawings. In addition, the author provides an overview of some tools that modellers new to garden railways may find helpful and a useful list of addresses for suppliers. Whether new to the hobby or seasoned enthusiast, anyone interested in building a garden railway will find this book full of great ideas, useful tips and friendly encouragement.

Reviews

Complete guideline! Its this type of great read through. it absolutely was writtern quite perfectly and helpful. I am very happy to explain how this is basically the best book i actually have read through during my personal life and can be he very best book for at any time.

-- Joshua Gerhold PhD

A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.
