

Winning the War of Words: Essays on Zionism and Israel (Paperback)

By Einat Wilf

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English. Brand new Book. From the United Nations to the media, and from academia to international NGOs, the attacks on Israel's legitimacy as the nation-state of the Jewish people are growing. To win this war of words, Israel's defenders must be able to clearly explain the ideas and circumstances that led to the creation of modern Israel and underpin its existence today. In this single-volume collection, Dr. Einat Wilf does just that, presenting her top essays on the Middle East, Israel, Zionism, and public diplomacy. In the book's opening chapter, "The Dangerous Unraveling of the Middle East," Wilf explains that the violent upheaval in the Middle East of today will take decades to sort itself out and that Israel should position itself as a "neutral bunker" in the region. In chapter two, "The International Community and the Limits of Good Intentions," Wilf urges world powers to reexamine the paradigm through which they approach the Israeli-Palestinian conflict. Wilf focuses on the negative role played by the United Nations Relief and Works Agency (UNRWA), which makes peace harder to achieve by inflating the number of Palestinian refugees and encouraging them to...

Reviews

The most effective pdf i possibly read. It is amongst the most amazing publication i actually have go through. You are going to like the way the author publish this pdf.

-- Chelsea Durgan PhD

I actually started off looking over this pdf. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
